Last night, a Mount Arlington family, Vikki and Nick Maresca, lost their home in a fire. The Maresca family has always taken a leading role in our community services; including athletics, PTA, Scouts and school activities. We are happy to report that no one was injured in the fire and now want to support the Maresca Family.

There is a Go Fund Me established at <https://www.gofundme.com/nicky-vikki-maresca>

Additionally, we are collecting financial donations for the immediate purchase of gift cards to be used for sports equipment, food and clothing for the children; Brandon, Madison, Cameron and Payton.

Please refer to the Mount Arlington School website for additional information.
