Re: Changes to the online-payment system for lunch accounts

Dear Mount Arlington Families,

Please be advised that the point of sale system will be receiving a parent website update on May 15<sup>th</sup>, 2018. Payforit.net will no longer be available beginning on 5/15/18. When visiting [www.payforit.net](http://www.payforit.net) on or after that date, the user will be redirected automatically to the new website, [www.PaySchoolsCentral.com](http://www.PaySchoolsCentral.com).

## IMPORTANT NOTES FOR CLIENTS/PARENTS:

-All Account information will be automatically migrated from [pfi.net](http://pfi.net) to PaySchoolsCentral.com. Parents will still have the exact same login and passwords they used to setup the accounts on [pfi.net](http://pfi.net).

-All Student Account settings will be saved and migrated automatically from [pfi.net](http://pfi.net) PaySchoolsCentral.com.

-Video Link for brief overview of new website features, <https://payschools.com/videopayschools-central-parent-experience/>

-If you use the auto-replenish option, it is recommended that you log into your account and make sure that this feature is set to turn off on the final day of school, June 22, 2018 and reactivate this feature prior to the first day of school.

If you require additional assistance regarding PaySchools Central, please contact the PaySchools Central Parent Help Support Staff directly by email [support@payschools.com](mailto:support@payschools.com) or 1-800-669-0793.

Sincerely,

Tonya M. Flowers
