

Hello everyone!

We are looking for some help with the PTA's 11th Annual Tricky Tray, which will be held on Friday, March 10, 2017 at the Roxbury High School. It is our largest and most profitable fundraiser, but it is also a lot of work. We could use some help in a variety of activities, some of which are described below:

Local Soliciting -- (January) involves going to local establishments and requesting donations for our event. Don't worry, we will provide you with an area and list of stores to visit. Bring a friend or your children -- it's hard to say no to cute kids!

Wrapping (February) -- those beautiful baskets don't wrap themselves! Beginning in February we get together once a week at night at MAPS to wrap the baskets. No experience necessary.

Selling Tickets (Night of Event) -- selling entry and basket tickets at the event.

Setup (Afternoon of the Event) -- we are able to begin setting up in the High School at 3PM, and usually finish around 5:30. Get great parking by coming early to help setup!

Running (Night of Event) -- deliver the baskets to the winners. No car necessary -- delivery is from the podium to the winner's seat J

If you are interested in any (or a couple) of these activities, please contact Heidi Roldan at Heidi.roldan@yahoo.com or Amelia DeBona at peanut414@optonline.net

We hope to see you at the Tricky Tray on Friday, March 10th!

Heidi and Amelia
