

**Bus information can now be accessed through the parent portal.**

Please log in to the portal and click on the BUS icon to view your student's stop, bus number and pick up/drop off times. Please be aware that the times listed are approximate and may be adjusted slightly, if needed, during the first couple of weeks of school. Any changes that are made will be communicated to you. Also, please note that Mt Arlington has contracted with Roxbury Schools to provide busses for our students. We will no longer be using Byram Bus Co. We appreciated your patience and we look forward to a great school year!
