

EDITH M DECKER SCHOOL

BAM! BODY AND MIND GRANT PROGRAM POSTER AND RESEARCH PROJECT CONTESTS

To promote wellness and social emotional skills and their connection to water and healthy lifestyles, the Green Team lists the research themes and contests below.

Students can do promotional artwork, research fact broadcasts, and research projects. Each month the winners of the artwork contest will have their artwork and the winners of the research fact broadcasts included have their work included on the promotional poster near the lobby, hydration station, and at the borough hall. The promotional poster will also have a QR code for linking information to healthy lifestyle habits.

The monthly themes include the following topics:

- ***SEPTEMBER: Mindset***
- ***OCTOBER: Nutrition***
- ***NOVEMBER: Movement***
- ***DECEMBER: Stress Management***
- ***JANUARY: Healthy Water Consumption***
- ***FEBRUARY: Drinking Water Quality Standards***
- ***MARCH: Water Treatment Practices***
- ***APRIL: Food and Water***
- ***MAY: Watershed Management***
- ***JUNE: Vegetable Garden Design***

Artwork can be original posters or digital. Photos of the Artwork or digital Artwork should be submitted on our Body to Mind Classroom page by no later than one week after the end of the contest month.
