

Mount Arlington School Anti-Idling Campaign

To protect our environment and health of our community members as part of our Earth Day Programs Mount Arlington School District is providing information about anti-idling strategies. Students will be discussing the purpose of anti-idling in our science and health classes. Information will be provided to the PTA. In addition, your child we present a copy of a family pledge to commit to anti-idling practices. We will be collecting the pledge by the end of April.

No Idling Pledge

for Parents

We pledge to protect the health and well-being of our children. We recognize that excessive emissions from idling are a threat to children's health.

To protect children, and the community, from harmful vehicle emissions, we voluntarily pledge:

- *To turn off engines while waiting to pick up and drop off children*
- *To maintain vehicles to eliminate any visible exhaust*
- *To spread the word to family and friends and encourage others to eliminate unnecessary idling*
