Principal

September 2021

Dear Mount Arlington Families,

I would like to provide you with some information regarding classroom instruction while under quarantine. Quarantining of students exposed to Covid positive cases continues to be practiced ensuring the health and safety of all. Length of quarantines will be determined based upon the most recent CDC guidance and in coordination with our local health officials. Our school nurses will be able to direct you with specific quarantining protocols pertaining to your child.

Any student that is required to quarantine due to exposure to Covid or a school-related close contact will receive continued instruction from home. Instructional delivery methods will vary depending on the student grade level. This can always be modified and adjusted on a case-to-case basis.

Grade 6-8 - Any student that is required to quarantine is permitted to live stream into classrooms during the length of time related to the quarantine. Google Meet links will be provided by their teachers.

Grade 3-5 - Any student that is required to quarantine will have a combination of synchronous and asynchronous learning activities. Teachers will provide live stream opportunities for students to check in virtually with the rest of the class at certain times of the day.

Grade K-2 - Any student that is required to quarantine will have asynchronous learning activities provided by the teachers. Teachers will communicate with parents and leave work for them to complete. Parents can pick up instructional packets and materials at the Decker main office. Teachers will do a virtually check in with individual students as needed.

Please allow our teachers at least 24 - 48 hours to set up the live streaming options and asynchronous learning activities for your child. **School-issued Chromebooks are available for any student quarantining at home.**

Thank you for your continued patience and understanding as we navigate through these unprecedented times. Please let me know if you have any questions or concerns.

Sincerely,

Jeff Grillo
Principal
