

**RAIN GARDEN INFORMATIONAL VIDEO AND RESOURCES**  
**LAKE HOPATCONG FOUNDATION & RUTGERS UNIVERSITY**

*Lunch and Learn Lake-Friendly Living Recording*

Good afternoon, The recording for the Thirst for Knowledge lunch-and-learn, "Lake-Friendly Living" is available at either of the links below. During the lunch and learn, I offered to share information on rain gardens from Rutgers Cooperative Extension Water Resources Program. For more information on rain gardens, please see the website below which includes a link to the Rain Garden Manual of New Jersey.
