

Thirst for Knowledge' - Lake-Friendly Living

August 07, 2020 | [Environment](#), [Events](#)

By: Lake Hopatcong Foundation

Please join us on Thursday, August 20, at 12:30 pm for the fifth presentation in our “Thirst for Knowledge” lunch-and-learn webinar series, "Lake-Friendly Living" hosted by Lake Hopatcong Foundation (LHF) Executive Director Jess Murphy and LHF Grants and Program Director Donna Macalle-Holly. This webinar will provide tips and best practices on how to live in a lake-friendly way in order to keep our lake clean and healthy.

Whether you live right on the shores of Lake Hopatcong or miles from the water but within its 13,500-acre watershed, what happens on your property impacts the lake. Join LHF staff for this informative and interactive session to learn simple steps and actions you can take to protect Lake Hopatcong today for this and future generations.

REGISTER AT: <https://us02web.zoom.us/meeting/register/tZMrduutqTwpHNw30tV5kOW-lfTpG-Ne4RUE>

Our "Thirst for Knowledge" lunch-and-learn webinar series was created to share information and discuss topics of interest to our lake community. There is no cost to attend, however, registration is required. After registering, you will receive a confirmation email containing information about joining the meeting. Don't forget your lunch!
